## PROFESSIONAL SUMMARY

---

With over 12 years of experience in vehicle diagnostics, maintenance, buying, and selling new and used cars, I have developed a deep passion for the automotive industry. My expertise spans performance and off-road vehicles, including optimizing engines, drivetrains, and suspensions. I specialize in selecting the most suitable high-performance lubricants for each vehicle type to ensure long-lasting efficiency and reliability. I am skilled in automotive assembly, working with top-quality materials to guarantee optimal vehicle performance. My commitment to this field goes beyond technical skills; I genuinely love helping clients get the most out of their vehicles, whether through personalized recommendations or professional maintenance strategies. I also have valuable experience in fire safety system installations, managing technician teams, and overseeing warehouse operations. Driven by my enthusiasm for cars and technology, I am eager to contribute my knowledge and dedication to a professional automotive environment, where I can make a real impact.

## FREELANCE AUTOMOTIVE PROJECT (SELF-INITIATED PROJECTS | ONGOING)

---

- Identifying customer needs and recommending suitable vehicles, focusing on performance, durability, and long-term.
- Maintaining deep knowledge of inventory, promotions, and market trends, particularly in performance vehicles, lubricants, and automotive systems.
- Expert in selecting and applying high-performance lubricants and additives to enhance engine reliability, power, and efficiency.
- Skilled in automotive assembly, using high-quality materials and tools to ensure precise integration and durable performance.
- Buying and selling new and used cars, evaluating engine health and ensuring recommendations align with optimal performance and maintenance.
- Renting cars that fit clients' needs, advising on proper vehicle care, including maintaining lubrication systems and ensuring engine longevity
- Building lasting trustful relationships with clients, generating referrals and repeat business by recommending reliable maintenance strategies, including optimizing lubrication systems and using additives.
- Performing diagnostics, repairs, and preventive maintenance on various vehicles, regularly applying high-performance oils and lubricants to optimize engine efficiency.
- Building a strong reputation as a trusted expert in automotive sales and mechanical consulting, providing solutions that enhance both performance and longevity.
- Specializing in off-road and speed car enhancements, including improving drivetrain systems, adding suspension kits, and using specialized lubricants to boost performance, durability, and handling in both off-road and high-speed applications.
- Fully modified Range Rover for off-road performance, including suspension upgrades, exterior enhancements, and interior customizations for enhanced comfort and functionality.
- Fully modifying and tuning personal BMW M3, including upgrading the engine, suspension systems, and using premium lubricants to ensure efficient operation and high-performance output.

PROFESSIONAL EXPERIENCE

S.O.S Kimial Co. – Beirut, Lebanon

Technical Supervisor

Feb 2013 – Present

- Installed and maintained advanced fire safety systems across commercial and residential sites, ensuring full compliance with safety regulations.
- Conducted detailed mechanical assessments to evaluate system readiness and site conditions.
- Led a team of technicians, managed work schedules, and supervised day-to-day operations to ensure project efficiency and quality.
- Provided hands-on technical support and customer guidance on system use and troubleshooting.
- Handled warehouse logistics, including the tracking, organizing, and dispatching of safety equipment and materials.

Ogero Company – Saudi Arabia

Warehouse Supervisor

Jul 2012 – Aug 2013

- Oversaw the movement, storage, and tracking of telecom materials and equipment, ensuring smooth and timely operations.
- Maintained accurate inventory records and ensured compliance with safety and handling protocols.
- Supervised daily warehouse activities and coordinated team tasks to maximize productivity and minimize delays.

Al-Itehad Stationery & Bookshop – Sidon, Lebanon

Salesman

Feb 2008 – Oct 2010

- Provided knowledgeable customer service by guiding clients through product selections and features.
- Built strong customer relationships and consistently met or exceeded sales targets.
- Helped manage stock levels, organized displays, and ensured the shop floor was well maintained.
